

R.I.T.A. To Receive IRS Tax Information To Ensure Compliance

Federal Law now permits the Regional Income Tax Agency (R.I.T.A.) to obtain tax information from the IRS to ensure that you are meeting your tax filing and payment obligations. Taxpayers are encouraged to take this opportunity to voluntarily resolve all non-filing or past due matters by filing the appropriate returns or providing a reason for exemption from filing a tax return, before incurring assessments that may result through the use of information provided by the IRS.

For more information, please check the Regional Income Tax Agency's website at www.ritaohio.com. Please refer to http://www.ritaohio.com/pdf/IRS_Link.pdf for information about the Federal law. If you have any questions, please contact R.I.T.A. at one of the following phone numbers.
